

THE PSYCH MENTOR

COLLABORATION QUESTIONNAIRE

"Welcome to the "PSYCH NP MENTOR" Collaboration Questionnaire designed for aspiring Psychiatric Nurse Practitioners seeking mentorship.

Together, we aim to cultivate a partnership rooted in delivering cohesive, compassionate care, where the wellbeing of our patients takes precedence, and ethical standards serve as our guiding principles.

Your responses to the six questions provided will offer valuable insights into your journey within the NP career path, enabling us to tailor our mentorship to your specific needs and aspirations.

Please [submit](#) your completed questionnaire to [Dr. Bih Bikelle \(info@drbikelle.com\)](mailto:info@drbikelle.com), and please submit your professional resume with the questionnaire. Let's embark on this collaborative journey towards professional growth and excellence in patient care.

1. In which state do you practice as a Psychiatric Nurse Practitioner? (Select one: TX, IA, LA, AL, FL, CA, GA, SC, VA, MI)
Ans:
2. How many years of experience do you have as a PSYCH NP?
Ans:
3. What is your practice setting?
Ans:
4. Do you currently have a collaborating or supervising psychiatrist? If so, why are you considering switching?
Ans:
5. Name 2-3 major challenges you face as a Psychiatric Nurse Practitioner.
Ans:
6. What are your expectations working with me as a collaborating physician?
Ans:

Thank you, that concludes the questionnaire. I'm enthusiastic about learning more about you and your current NP Career path journey.
